How to set up auto save in Zen

1. In the main menu bar: "Tools" (main menu)—"Options"—"Saving".

2. Make sure to save your data to the designated folder on the local computer first: D:/Zeiss Users Data/your folder.

Options		? ×
Software General Startup/Shutdown Naming Saving Documents Acquisition User Data Tables Macro Editor APEER ZEN Connect Hardware	Locate/Camera Auto Save after Snap Caution! This function will disable the user defined action "Overwrite Current Document". Don't Open a Document Window File Type Auto Save Path D:\ZEISS User Data\hong.yu\autosave Show "Discard All" Button in Dialog to Save Modified Documents	Carl Zeiss Image (*.czi) 🔹
		OK Cancel

Data management policy: all data must be saved here (kept for 7 days before auto deleting: (D:)\ Zeiss Users Data\"your folder". Your data will be transferred to the server instantly: Scientific platforms G:\Cell Imaging\Zeiss Live Cell Imaging\"your folder" (kept for 14 days before auto deleting).
